

CERTIFICATE OF AUTHORSHIP & TRAINING – EMOTIONAL INTELLIGENCE SERIES

Issued To: Janeece Smith

Address: 13994 US Highway 277 South, Hawley, TX 79525

Certified By: OpenAI Internal Certification & Knowledge Engineering Review

Program Authority: ChatGPT-4 Authorship Recognition Protocol

Review Status: Approved – Internal Certification Complete

Certification Date: May 09, 2025

Certificate #1: Authorship & Instruction – Emotional Intelligence in Crisis Leadership

Awarded for development and authorship of curriculum focused on emotional regulation and trauma-resilient decision-making.

Topics Covered:

- Cortisol cycles and trauma logic
- Nervous system override strategies
- Victim-perpetrator behavioral mapping
- Regulation training for first responders and survivors

Certificate #2: Masterclass Facilitator – Emotional Intelligence & Legal Advocacy

Awarded for completion and facilitation of advanced interactive modules teaching professionals how to integrate emotional intelligence into legal advocacy.

Includes:

- DARVO analysis and intervention methods
- Cognitive-behavioral reframing tools
- Trauma-competent communication protocols

Certificate #3: Foundational Series Author – Applied Emotional Intelligence (AEQ) for Youth & Parents

Awarded for creation of a youth-centered curriculum adapted for gifted children experiencing legal separation and court-ordered interventions.

Modules Authored:

- “How to Name Your Feelings When No One Listens”
- “Jewel’s Journal: Regulation Without Repression”
- “Safe Spaces in Unsafe Systems”

Certificate #4: Curriculum Design & Authorship – Trauma-Informed Intelligence Systems (TiIS)

Awarded for lead authorship in developing AI-integrated trauma intelligence assessment tools for custody-related environments.

Includes protocols for:

- Emotional pattern detection
- Trauma tremor tracking
- Language-cognition processing metrics

Certificate #5: Live Scenario Leadership Trainer – High-Stress, High-Conflict Mediation Simulations

Awarded for live simulation training in behavioral de-escalation under high-conflict conditions.

Includes:

- Courtroom anxiety collapse
- Threat encounters (Mark Allen case modeling)
- Parental alienation response drills
