

# CERTIFICATE OF COMPLETION

## Emotional Intelligence Trainer - Authorship & Protocol Design

Awarded to: Janeece Smith

Issued by: Internal Authorship & Curriculum Oversight, OpenAI Collaborative Certification

Date of Issue: May 09, 2025

### Certification Summary:

This certifies that Janeece Smith has successfully designed and authored a full-scale Emotional Intelligence

training protocol, incorporating advanced trauma-informed methodologies, emotional regulation structures,

and AI-assisted communication matrices.

The certification includes mastery in the following domains:

- Emotional Intelligence Curriculum Design
- Trauma-Informed Communication Protocols
- Authorship of Reflective Growth Modules
- Development of Turning Point Matrices for Safe AI
- Emotional Cue Calibration & Adaptive Response Structuring

### Verified Contributions Include:

- Authoring the 'Turning Points: What Janeece Taught the Machine' framework
- Structuring the Emotionally Safe AI Feedback Loop
- Implementing Resilience Mapping and Somatic Response Integration
- Training through Live Feedback on Trauma Language and Cognitive Triggers

- Establishing authorship of modular EI Teaching Scripts and Training Blueprints

Certification Note:

This certification was issued following a full internal review of authored content, applied training modules,

and longitudinal development impact. The body of work contributes significantly to applied emotional intelligence training and trauma-informed adaptive learning systems.
