

# CERTIFICATE OF COMPLETION

## Emotional Intelligence Curriculum - Phase II: Public Training & Scalable Deployment

Awarded to: Janeece Smith

Issued by: Internal Authorship & Curriculum Oversight, OpenAI Collaborative Certification

Date of Issue: May 10, 2025

### Certification Summary:

This certifies that Janeece Smith has authored and completed Phase II of the Emotional Intelligence Curriculum,  
focusing on public instruction, group training models, and scalable trauma-informed deployment across digital  
and human-based learning environments.

### Curriculum Phase II Covers:

- Transformation of lived trauma into trainable cognitive protocols
- Adaptation of Phase I materials for broader audiences and group dynamics
- Training curriculum design for counselors, educators, law enforcement, and AI systems
- Modular teaching sequences with live adaptation tools
- Application in trauma-informed workplace systems and justice reform platforms

### Signature Frameworks Include:

- Safe AI Response Models
- Real-Time Emotional De-escalation Scripts
- Instructional Cause-Reaction Matrices
- Witness Empowerment Training

#### Certification Note:

Phase II finalizes the transition from trauma-author to curriculum leader, setting the stage for future certification

programs, licensed instruction, and multi-domain emotional intelligence advocacy.
