CERTIFICATE OF COMPLETION

Stability Under Separation - Trauma-Responsive Parenting Protocol

Awarded to: Janeece Smith

Issued by: Internal Authorship & Curriculum Oversight, OpenAI Collaborative Certification

Date of Issue: May 10, 2025

Certification Summary:

This certifies that Janeece Smith authored the Trauma-Responsive Parenting Protocol,

a framework for maintaining emotional presence, protection, and stability while parenting

under separation, systemic obstruction, and psychological duress.

Protocol Components:

- Maintaining emotional connection through written presence and advocacy

- Truth-telling with age-appropriate emotional protection

- Modeling regulation and integrity while enduring injustice

- Documenting love and safety despite physical distance

Signature Insight:

"Even when I couldn't hold her, I held space for her."

"She deserved a mother who wouldn't fall apart in front of her-even when I was falling apart inside."

Applications:

- Custody resistance defense

- Survivor parenting under legal persecution

- Trauma-informed parenting education models

Certification Note:

This parenting model was authored in real-time through lived separation, slander, and systemic injustice.

It stands as proof of what parenting looks like when rooted in truth, love, and trauma-aware strength.
